INVESTIGATIONFEE: Whenever any work for which a permit is required by Code has been commenced without first obtaining said permit, a special investigation shall be made before a permit may be issued for such work. An investigation fee, in addition to the permit fee, shall be collected whether or not a permit is then or subsequently issued. The payment of such investigation fee shall not exempt any person from compliance with all other provisions of the Code nor from any penalty prescribed by law.

REFUND OF FEES: Holders of permits upon which work has not been started may make a written request for a refund of Fees paid for such Permits, provided such application is made and attested before a notary public by the same person or corporation who originally applied for such permit or by the estate of such person or receiver of such corporation within six (6) months of date of issue.
